Play Like a Champion Today provides leadership in a worldwide effort to renew the culture of sport for youth. It does this primarily by educating ethically responsible sport leaders—coaches, students, parents, and athletic administrators—who in turn will reach millions of young people.

### SPORTS AS MINISTRY EDUCATIONAL PROGRAM

Crafted by leaders in the fields of sports psychology, coaching education, Catholic theology, and moral development, Play Like a Champion Today is:

- Centered around the principles of justice, tolerance, respect, and solidarity
- Designed using the best athlete-centered practices supported by research into character development and faith formation through sports
- Originating at the University of Notre Dame and collaborating with concerned faculty and coaches throughout the country

Play Like a Champion Today deals with tough sport issues and supports schools in promoting:

- Athletics as Character-Building to Athletes and Families
- Building Teams as Moral Communities
- Champion-Centered Best Coaching Practices
- Sportsmanship
- Responsible Decision Making

Over the course of the clinic, participants will learn about:
